GDPR regulations came into force on Friday 25 May, and every parish must be compliant with the regulations. Our Parish Data Privacy Notice is published prominently on the notice boards of our churches, and on our parish website. Because of the implications of GDPR we regret that it is no longer possible for us to post the names of our children or adults receiving the sacraments in our parish newsletter. We may congratulate them as a group but individual names may not be listed.

We must select a management committee to oversee all aspects of Hall management and finances. A meeting will be called as early as possible. Please watch this space.

CHY 2 Forms: Each year our parish benefits greatly from money received from Revenue in respect of your contributions to our Church collections. If you are a taxpayer and have paid at least €250 in contributions to our parish - which is a recognised and registered charity - Revenue will reimburse us with the tax you have already paid. Please send in a completed CHY2 Form, which will cover 5 years.
