Church Notices

Confirmation in Crosserlough Parish: The children in our parish will receive their Confirmation on Sunday 19th May 2019 at 3 pm.

The Origin of the Months Memory Mass: One of the morals of civilization that became very significant for people going back to the stone age was the respect people had for the places they chose to bury their dead. These sites were discovered with the remains of flower petals and the husks of corn, the flowers as a mark of respect and the husks of corn as food for the journey. This respect for the dead was manifested by 30 days of mourning and the custom was first established in the Old Testament where we read that the Israelites wept for Moses in the plains of moab for thirty days and all the house of Israel mourned for thirty days. It is good to remember the dead as it keeps us in touch with the goodness of people who were good to us. It helps to forgive where forgiveness is still lacking and makes us realize that all these people who touched our lives while they lived were God's gifts to us. This is the origin of the month's memory mass a crucial step in the mourning process.

Food Cloud: We are hoping to set up a food cloud in the extended Kilnaleck area.

Food Cloud connects businesses that have too much food to charities in their community that need food through an app and website. Through its community Food Rescue Project, Food Cloud aims to help communities across Ireland ensure that no good food goes to waste where people are going hungry. The service brings volunteers, food businesses and charities together to rescue surplus food from local food businesses and deliver it to those who need it most. If you are interested in getting involved as a Volunteer please contact us on 049 4336070 or via email: hleahy@breffniint.ie

Irish Dancing Classes: Every Tuesday in Drumkilly Hall from 3 - 4.30 pm. All welcome.

Cavan County Museum Lecture Series 2018 : 'A fiddler and a poet' : SONGS OF ROBERT BURNS by Dr. Fred Freeman on Wednesday 10th October at 8 p.m. This illustrated musical lecture is designed to introduce a wholly unknown Robert Burns to the general public. For over 200 years Burns has been misrepresented as Scotland's national 'poet', yet he was primarily a song-writer, composing upwards of 400 songs. Everyone welcome.
