Where does the devotion to Jesus reserved in the Tabernacle come from?

Until the 12th Century, the Blessed Sacrament had been reserved privately so that it could be administered to the sick and dying. The faithful's growing enthusiasm to see and worship Christ, presence under the appearance of the consecrated bread outside the context of the Mass stimulated the development of the Real Presence . In 1264 Pope Urban instituted the Feast of Corpus Christi. The following years saw the practice of exploring the Blessed Sacrament in the MONSTRANCE and carrying it in solemn procession through the streets and public places. The best place to recover from bereavement is in adoration of the Blessed Sacrament with others.
