## Church Notices

- ◆ **September 29th - Feast of the Archangels** - Angels are part of nearly every religion's belief system. Most of our understanding of the Angels comes to us as revealed by the Jewish religion. Gabriel is considered to be the number one followed by Michael and Raphael. The next level of Angels is the type known as the ministering Angels which we know as the cherubim and the seraphim and their function is to help God administer the universe. The seraphim have three sets of wings who guard God's throne. They are so called the word mean burning and their devotion to God is so great as it is a burning love. The cherubim are Angels with human or animal characteristics and their function is to guard sacred places and continually to praise God.
- ◆ **October 2nd Feast day of the Guardian Angels:** God has given us a special angel for our protection and assistance both in soul and body especially at the time of our death. 'O Angel of God my guardian dear. To whom God's love commits me here. Ever this Day be at my side, to light and guard, to rule and guide. **Amen**'

### The Clouds Veil

Even though the rain hides the stars,  
Even though the mist swirls the hills,  
Even when the dark clouds veil the sky,  
You are by my side.  
Even when the sun shall fall in sleep,  
Even when at dawn the sky shall weep.  
Even in the night when storms shall rise,  
You are by my side, You are by my side.
