- ◆ [Created out of nothing a mystery.](#)  
Sometimes a dress designer or a pastry cook or a perfume manufacturer will boast of a 'new creation'. When they do so, they are using the word creation in a very loose way. No matter how original a dress design is, it began with a fabric of some kind. No matter how delectable a desert may taste or how delightful a fragrance may be, they begin with some kind of ingredients. To 'create' means to 'make out of nothing'. \Only God, whose power is infinite, can do that. Accurately speaking only God can create. The earliest works of God's, creation are the angels. An angel is a spirit– that is being with intelligence and a will but without a body. When God created angels he made each with a will that was supremely free. We don't know how many angels exist, but the bible indicates their number is very great (Book of Daniel, 7;10). Only three of the angels have been named for us Gabriel (Hero of God), Michael (who is like God) and Raphael (God has healed).
- ◆ **October 2nd Feast day of the Guardian Angels:** God has given us a special angel for our protection and assistance both in soul and body especially at the time of our death. 'O Angel of God my guardian dear. To whom God's love commits me here. Ever this Day be at my side, to light and guard, to rule and guide. **Amen**'

[The Clouds Veil](#)

Even though the rain hides the stars,  
Even though the mist swirls the hills,  
Even when the dark clouds veil the sky,  
You are by my side.  
  
Even when the sun shall fall in sleep,  
Even when at dawn the sky shall weep.  
Even in the night when storms shall rise,  
You are by my side ,You are by my side.
