Can you add to this?

There is that letter I should write but just now I'm not in the humour There is that sick person I know I should visit but right now my favourite programme is on television. There are these prayers I should say but right now I'm too tired. I know I should be charitable towards so and so but they are not the easiest person in the world to get on with. I know that dishonesty is wrong but I excuse my acts of dishonesty by telling myself that everybody does it, and what I do is minor compared with what others are getting away with. I know I am not doing my work as well as I should but why should I break my back when others aren't pulling their weight. I know I drink too much but then I'm under a lot of pressure. I know I should spend more time with my children but I need the overtime money.

The Commandments of the Church

1. To attend mass on Sundays and Holy Days of obligation
2. To confess sins at least once a year
3. To receive Holy Communion at least once a year during the Easter Season
4. To fast and abstain on the days appointed, Ash Wednesday and Good Friday
5. To contribute to the offertory to maintain the future of the building
6. To observe the marriage laws of the church.

There is a Place

There's a Time for Remembering, a time to Recall
The trials and the Triumphs, The Fears and the Falls.
There's a time to be grateful for moments so blest,
The Jewels in our memory where love is our guest.
There is treasure in fields, there is treasure in our skies,
there is treasure in our dreaming from the soul to the eye.
For where ever we wonder in the light of God's grace
and for all whom we remember there will ever be a place

Going Home, Going Home

Going home, going home, I am going home.
Quiet like, some still day, I am going home
It's not far, just close by.
Through an open door. Work all done, care laid by,
Never fear no more
