The Choice is ours

We spend the first half of life adapting to our own environment. We surrender to the environment of the womb that creates us and we are formed by the climate of these significant others (mother/father) in our early life. Unconsciously we learn to win love, acceptance, and approval. In adapting to this world by being good, quiet, funny, whatever gains approval we take on the values and goals that are outside us creating for ourselves a corresponding self image. As the journey of self discovery begins we are called to dethrone the God's of our youth, . This transition period which we all need to develop is crucial. If we don't take the risk we will never reach God's plan for us. God is not going to solve our problems for us, but he will scout out the areas we are not aware off, and these unknown areas will be the goldmines of the second half of our lives.

I have Loved you

I have loved you with an everlasting love.
I have called you and you are mine x 2

Seek the face of the Lord and long for him. He will give you his light and his peace. Seek the face of the Lord and long for him. He will bring you his joy and hope.

How Great Thou Art

O Lord my God, when I in awesome wonder consider all the works thy hands hath made
I see the stars I hear the rolling thunder, thy power throughout the universe displayed.
Chorus: Then sings my soul, my saviour God to thee. How great thou art. How great thou art! Then sing my soul my saviour God to thee: How great thou art! How great thou art!

1. Morning has broken

Morning has broken, like the first morning. Blackbird has spoken like the first bird.
Praise for the singing, praise for the morning. Praise for them springing fresh from the world.
2. Sweet the rains new fall, sunlit from Heaven. Like the first dewfall on the first grass. Praise for the sweetness of the wet garden. Sprung in completeness where his feet pass.
