The Beauty of a Flower: Once a wise old teacher was speaking to a group of young and eager students. He gave them the assignment to go out and find by the side of the road an unnoticed flower. He asked them to study the flower for a long time. "Get a magnifying glass and study the delicate veins in the leaves and observe the symmetry "And remember that this flower might have gone unnoticed and appreciated, if you had not found and admired it." When the class retired after carrying out the assignment the teacher observed. People are like that, each one is different carefully crafted uniquely endowed. But you have to spend time with them to know this. So many people go unnoticed and unaffectionate because someone has never taken time with them and admired their uniqueness. In a true sense each one of us is a unique masterpiece of God. *Seasons of the Heart.*

1. Morning has broken

Morning has broken, like the first morning. Blackbird has spoken like the first bird. Praise for the singing, praise for the morning. Praise for them springing fresh from the world.

2. Sweet the rains new fall, sunlit from Heaven. Like the first dewfall on the first grass. Praise for the sweetness of the wet garden. Sprung in completeness where his feet pass.

I have Loved you

I have loved you with an everlasting love. I have called you and you are mine x 2

Seek the face of the Lord and long for him. He will give you his light and his peace. Seek the face of the Lord and long for him. He will bring you his joy and hope.

How Great Thou Art

O Lord my God, when I in awesome wonder consider all the works thy hands hath made I see the stars I hear the rolling thunder, thy power throughout the universe displayed. Chorus: Then sings my soul, my saviour God to thee. How great thou art. How great thou art! Then sing my soul my saviour God to thee: How great thou art! How great thou art!
